West Virginia University Health Sciences Center and the Office of Laboratory Animal Resources announce an opportunity for a Clinical Veterinarian to join our dynamic team. The successful candidate will:

- Administer an animal care and use program that is in regulatory compliance and exceeds USDA, OLAW, and AAALAC standards.
- Support training for research technicians, animal care staff, and research investigators, and work closely with and supervise the OLAR veterinary technicians to provide state of the art veterinary care for research animals.
- Provide IACUC protocol advice to PIs and research staff and provide clinical and surgical support for research studies as appropriate.
- Develop and maintain written and/or computerized records, SOPs, and policies regarding veterinary care and health surveillance programs and for regulatory compliance purposes.
- Share rotating on-call duties with other WVU veterinarians.

The mission of OLAR is to provide the highest quality care to all animals under its supervision, and to offer guidance, support, and training to all members of the research community. As a land-grant institution, the faculty, staff, and students at WVU commit to creating a diverse and inclusive culture that advances education, healthcare, and prosperity for all by providing access and opportunity; by advancing high-impact research; and by leading transformation in West Virginia and the world through local, state, and global engagement. WVU is proud to hold R1 research classification, the highest research activity as described by the Carnegie Classification of Institutions of Higher Education.

At WVU we strongly believe in work-life balance and keeping time for things we love outside our work. WVU offers generous benefits, including:

- 37.5-hour work week.
- 13 paid holidays.
- 24 annual leave (vacation) days per year.
- 18 sick days per year (for when you or your family is ill).
- WVU offers a range of health insurance and other benefits.
- 401(a) retirement savings with 6% employee contribution match eligibility to continue health insurance, and other retiree perks.
- Nationally competitive salary.
- Allowance for moving expenses is available.

Working for WVU may qualify for the Public Service Loan Forgiveness program.

Morgantown has approximately 31,000 residents and is ranked among the most livable small cities in the country. The area offers the cultural diversity and amenities of a large city in a safe, family-friendly environment. Residents enjoy nationally ranked schools, excellent healthcare, low unemployment, low crime rates and world-class recreational opportunities. The community
lies within a high technology corridor that includes several federal research facilities, such as the U.S. DOE’s NETL, NASA’s Independent Verification and Validation Facility (IV&V), NIOSH and the Federal Bureau of Investigation, as well as private industry. Morgantown is within reasonable driving distances of Pittsburgh, Columbus, Cleveland, Washington, DC, and Baltimore.

To apply visit: https://careers.wvu.edu/career-opportunities. Please submit a cover letter describing your background, work philosophy, why you are interested in this position, and your future career plans; 2) a current resume. Review of applications will continue until the position is filled.

West Virginia University is proud to be an Equal Opportunity employer and is the recipient of an NSF ADVANCE award for gender equity. The University values diversity among its faculty, staff, and students, and invites applications from all qualified applicants regardless of race, ethnicity, color, religion, gender identity, sexual orientation, age, nationality, genetics, disability, or Veteran status.
